SHAARON WALTON
(Retired)

The Salinas City Elementary School Foundation was founded in 2005 by concerned community members with the purpose of raising funds to provide our elementary students with music, technology and art education because of State budgeting had eliminated these opportunities.

Since then, some of the funding has been restored. We are now able to provide some choral education to the schools but in order to do this, a \$50,000 yearly shortfall remains that must be covered to complete the minimal services for choral training.

The Foundation's goal is to raise a minimum of \$50,000 each year. The more funds we are able to raise the more musical exposure, technical advantages and art studies will be made available. Your help is needed.

In the year 2006, we raised a total of @\$12,000 through various events: The Outback Steakhouse luncheon, a Spring Rummage sale, a Tri-tip BBQ and as Air Show vendors. Another Rummage Sale is planned for May 5th. However, we are now ready for your help. We are asking for your donation. Information on our organization is attached along with a donation form and an envelope for your donation. We will be happy to meet with you and discuss an alternate donation such as a matching grant.

The District slogan is "Students are the focus of our work". Our children are the hope for the future. We are asking you to help us provide the skills and support the talents of today's children to ensure a bright tomorrow.

If you have any questions or need additional information, please contact me at 373-6261.

We are looking forward to working with you in our endeavors.

Sincerely yours,

Linda Dorris
